

Economy Sector Working Group
January 19, 2023
Virtual Meeting - 10:00-11:30 a.m.

Agenda

- 1) Welcome and roll call
- 2) December Meeting Summary - any comments?
- 3) Update from the Board meeting
 - a) Some white papers/letters have been submitted to City of SS Staff and Council and CAP Collaborative Board
 - i) Pay as you Throw and C&D of City Hall (Waste WG)
 - ii) Energy consultation letter to City Staff and net-metering summary for the Board (Energy WG)
 - b) Communication Plan for 2023 in development
 - i) Open House with WG in April (Tentative)
 - ii) Develop Comms plan for climate actions taken across municipalities – opportunities to share information via website and newsletter
- 4) Follow up on Working Group requests from previous meeting
 - a) Still need these additional Working Group members?: The group has discussed additional representatives from a major employer (e.g., UC Health, Northwest Colorado Health), South Routt and workforce development
 - i) Suggested names included Christine Oxyl (?), Don Bray, Ana Gomez (Labor and Employment Specialist)
- 5) Continue to discuss and document existing policies, programs, and initiatives that contribute to emission reduction outcomes. Build off tactics identified in CAP Economy Strategies, Actions and Tactics worksheet
 - a) EasyRetro platform
 - b) Identify additional outreach, if needed to document existing initiatives from stakeholders not represented in the Working Group
- 6) Begin discussing “big wins” and recommendations (if time allows)

- a) “Big wins”: initiatives/actions that either the member governments can take on, or we as a working group (or individual organization) could take on that would significantly reduce carbon emissions
- 7) Next meeting and proposed work plan
- a) Third Thursday of the month - 10-11:30am (virtual) - February 16, 2023
 - b) Homework - Continue to populate the CAP Economy EasyRetro platform and Funding Sources worksheets
