

Energy Sector Working Group
Meeting #7 - March 1, 2023
YVEA Conference Room, 2211 Elk Road

AGENDA

1. Welcome and roll call
 - a. Member updates
 - i. Todd Carr has scheduled two Public Forums to discuss the new proposed Energy Codes and Outdoor Energy Recommendations. Please email Todd to RSVP (tcarr@co.routt.co.us).
 1. March 2, 8am-2pm (Routt County Courthouse - BCC Room)
 2. March 23, 8am-2pm (Routt County Courthouse - BCC Room)
 - ii. City and Municipal energy letters and net-metering technical memorandum
2. Update from the Board meetings
 - a. Proposed recommendations timeline
 - i. March - Identify gaps/recommendations
 - ii. April - Assess/rank recommendations
 - iii. All CAP Working Group session - April 27 (3-5pm)
 - iv. May - Format recommendations
 - v. Public Open House - end of May
 - vi. June - Finalize formatted recommendations
 - vii. July - Public release of recommendations - move to quarterly meetings
3. Continue to revise/refine 'big wins'/recommendations to turn in quantifiable (if appropriate), specific actions. Think about things in the CAP not addressed in our list (orphaned actions/tactics)
4. Begin to think about criteria for prioritizing recommendations
5. Next meeting - Wednesday, April 5 - 1:30-3:00pm
